Two-by-Two Crochet
2 Colors; 2 Rows

Discover Two-by-Two Crochet, where two colors of yarn are crocheted into textured stitches using only a 2-row/round repeat. Each pattern in the book begins with a setup row to get the pattern started, then you simply work the 2-row/round repeat over and over. The main sections of all projects are created holding 2 different-color stands of yarn together throughout. When working the single-color textured stitches, one color will be dropped to the back of the work until the last step, then both yarns will be used to finish the stitch. Includes instructions for 8 projects: 2 afghans, 1 baby afghan, an ear warmer, a lady's cap in 2 sizes, a reversible kid's cap in 5 sizes, a scarf and an amazing ruana.

NEW! CROCHET Giving Back Crochet— Jonah Larson

Jonah Larson taught himself to crochet when he was 5 years old and gained overnight global notoriety. Jonah was born in Ethiopia and adopted as a baby, and he admits he did not always make it easy for his parents. Luckily for him and them, he found that crochet had a way of calming him down. He credits his parents with teaching him the importance of giving back and helping others. This book grew out of Jonah's philosophy that part of living a happy life is giving to those in need. With this in mind you will find designs like hats, scarves, slippers and afghans that are easy and simple, and they make perfect gifts to give to someone who just needs to know that someone cares. Also included is a basic Learn to Crochet section.
