NEW! CROCHET

A Gansey Crochet Home

Gansey is typically associated with knitting, but now you can crochet Gansey designs that mimic the look of knit designs! The Gansey look originated from the Island of Guernsey over 400 years ago. Gansey sweaters were designed for fishermen who spent their days at sea, so they were knitted with tight textured stitches to ensure that the sweater was not only warm but water- and wind-resistant too. In *A Gansey Crochet Home* you will find that each design is filled with texture and makes a perfect addition to any home. The book includes 10 fresh designs as well as both written instructions and charts.

CROCHET Sophie's Universe
Sophie's Universe was originally released as a 20-part CAL (crochet-along) in 2015, designed by Dedri Uys and sponsored by Scheepjes yarn. It is now available in printed format exclusively from Annie's! Despite its complexity, the pattern is actually written specifically for adventurous beginners. It starts out with a simple granny square that has a beautiful crochet flower in the center and gradually unfolds into a stunning, hypnotizing design. The yarn is available at AnniesCraftStore.com. 216 pages.
