Easy Binding Winder

Keep your binding, trim, lace, ribbon, piping and more from bunching or piling up in a mess with this easy-to-use winder! It simply clamps to your ironing surface when you want to wind up your binding, or you can set it next to your sewing machine so it will easily feed out for you to use. It is especially designed for those who might have compromised agility or strength in their hands, and since it's lightweight it's easy to take to and from classes. You can store it just about anywhere! No batteries or electricity are used—it's completely human-powered. It comes fully assembled with 1 spool, an easy binding winder tower, easy-release clamp and a user guide.
